Contributors

Anthony Le Duc, SVD, PhD is a Vietnamese American Catholic priest in the Society of the Divine Word. In addition to teaching at Lux Mundi National Seminary of Thailand, he is the executive director of the Asian Research Center for Religion and Social Communication, St John's University, Thailand, and the editor-in-chief of its scholarly journal, *Religion and Social Communication*.

Bala A. Musa (PhD, Regent University) is Professor of Communication Studies at Azusa Pacific University, Azusa, CA; and Visiting Professor, Olusegun Obasanjo Center for African Studies (OOCAS), National Open University of Nigeria (NOUN), Abuja, Nigeria. He serves on the editorial boards of many academic journals. His research interests include media ethics, media and pop culture, digital media and religious communication, communication and national development, communication and conflict management, among others. He is editor of *Nollywood in Global Perspective* (Palgrave-Macmillan), among others.

Boye-Nelson Kiamu is a doctoral student at Fuller Theological Seminary, Azusa, CA. His research interests include new media, social media and missiology, postmodern culture and theology, among others.

Heidi A. Campbell is Professor of Communication and Presidential Impact Fellow at Texas A&M University and director of the Network for New Media, Religion and Digital Culture Studies (<http://digitalreligion.tamu.edu>). She is the author of over 100 articles on digital religion that involve studying the intersection between religious practices online and offline. She is also author of ten books, including *When Religion Meets New Media* (2010), *Digital Religion* (2013 and 2021), *Networked Theology* (2016) and *Digital Creatives and the Rethinking of Religious Authority* (2021).

CONTRIBUTORS

John Dyer (PhD, Durham University) is a VP and professor at Dallas Theological Seminary. After a 20-year career as a web developer, his research in digital religion has focused on digital Bibles and the role of programmers in shaping religious behaviours.

J. Kwabena Asamoah-Gyadu is Baëta-Grau Professor of African Christianity and Pentecostal Theology and the President of Trinity Theological Seminary in Legon, Ghana.

Jonas Kurlberg is the Deputy Director of the Centre for Digital Theology, Durham University, the Programme Director of the MA in Digital Theology, Spurgeon's College, and the convenor of the Global Network for Digital Theology. He is the author of *Christian Modernism in an Age of Totalitarianism: T. S. Eliot, Karl Mannheim and the Moot* (Bloomsbury, 2019) and has co-edited *Missio Dei in a Digital Age* (SCM Press, 2020).

Kate Ott is a feminist ethicist addressing the formation of moral communities. She is author of *Christian Ethics for a Digital Society* and *Sex + Faith: Talking with Your Child from Birth to Adolescence*. She lectures and leads workshops on technology and sexuality for teens, young adults, parents and religious educators.

Katherine G. Schmidt is Assistant Professor of Theology and Religious Studies at Molloy College, New York. She is the author of *Virtual Communion: Theology of the Internet and the Catholic Sacramental Imagination*.

Paul A. Soukup, SJ, has explored connections between communication and theology since 1982. He teaches in the Communication Department at Santa Clara University and serves as convener of the Theocom conferences, which bring theologians and communication scholars together to reflect on the challenges posed to the Church by new media.

Philip Butler is Assistant Professor of Theology and Black Posthuman Artificial Intelligence Systems at Iliff School of Theology in Denver, Colorado.

Sabrina Müller is the Managing Director of the University Research Priority Program 'Digital Religion(s)' and lecturer in Practical Theology at the University of Zurich. Her recent research is about religious experiences, digital theology and church development.

CONTRIBUTORS

Steve Taylor is Director of AngelWings Ltd, New Zealand and Senior Lecturer at Flinders University, Australia. Born in Papua New Guinea, he is the author of *First Expressions: Innovation and the Mission of God* (2019), *Built for Change* (2016) and *The Out of Bounds Church?* (2005).

Thomas Schlag is Professor for Practical Theology at the Faculty of Theology at the University of Zurich. He is head of the Centre for Church Development (ZKE) and director of the University Research Priority Program 'Digital Religion(s)'.
